## About NCA

On the lap of Machhapuchhre Himalaya and at the heart of Pokhara, National Creation Academy (NCA) is situated in Milan Marg, Pokhara-8, Kaski Since 2063 B.S. It lies just behind the Janapriya Multiple Campus, Simalchour-8, Pokhara. The School is spread over the seven ropani land with greenery having academic environment. All of the faculties of the NCA are dedicated, experienced, qualified and competent, So, we assure our students and parents to provide quality and practical education. We also assure our students for their successful upcoming academic career and meet the future challenges.

## HISTORY

National Creation Academy is one of the best leading school of Pokhara Valley. It was established in 2063 B.S. with strong determination for the students' overall development. It is located at Milan Marg, Maghdhunga, Pokhara-8, Kaski. It is running under the joint efforts of Principal and highly qualified, dedicated, experienced as well as professional educationist. It has focused the teaching learning methodology from class Nursery to Twelve just to develop proficiency in using the English language being responsible caring, confident and concerned individual for the future.

### VISION

To generate the qualified and efficient manpower

### Mission

To prepare profession

### Objectives

To prepare dedicated honest, disciplined and qualified citizen for the development of the country.

## Academic Programmes

Under the guidance of qualified management team at National Creation, we are running a school from Montessori, Pre Nursery to Twelve (+2). We are providing the friendly environment to students. We also focus to students personality development and c-curricular activities.

We have launched the globalized activities and play way based progressive TSTEC model programme since 79/80 for the holistic development of our children.

## Teaching Technique

We apply the multiple intelligence method to teach the students using multimedia projector, audio video online and group discussion.

## Medium of Teaching

Except Nepali subject, remaining subjects are in English medium.

## General Rules and Regulations

To promote the academic environment in the school, students should follow certain rules and regulations as stated below :

- Students should be in full school uniform .
- Each student should have prescribed text books .
- Well trimmed haircut .
- Atleast 85% attendance for final exam.
- Mobile phone is strictly prohibited in the school premises .

## Extra Tutorial Classes

Students who need support in their academic programme will be provided with the extra tutorial classes.

## Project Work

To develop the conceptual skills, we focus on private package of home assignment and project work.

## Evaluation System

Students should appear in the unit test and terminal exams. The result will be provided on the occasion of interaction program between teachers and parents.

## Extra Curricular Activities

- We have sufficient space for different types of games like Volleyball, Basketball, Football, Table Tennis, Badminton etc. for sport tournaments.
